**Subject: Letter of Recommendation for Abiram R**

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online Learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on Quality Education & Decent work Economic and economic growth.

It is with great pleasure that I recommend Abiram R , on the basis of the performance in the MyCaptain Python Programming Workshop in the month of July, 2020.

Abiram R performed extremely well during the workshop and showed excellent skills as seen in the Project submissions and participation in the regular activities. As the mentor, I have seen that in every Live video class session, Abiram R was very actively participative and always willing to learn and enhance skills in every aspect. Abiram R is always willing to put forth a unique approach for the Projects that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Abiram R , all luck with their future endeavors and hope they have a bright future ahead.

Kind Regards,

**Tanisha Gupta**
